Course Organization

- Organization of the lecture:
  - Massive Open Online Course (MOOC) style asynchronous learning: re.etce-lab.de
  - Course content is mainly delivered as pre-produced learning material.
  - Slides are additionally available via Github (Link)
  - Exercise / Q&A Session live streams (BBB – next slide) and Goslar
  - Exercise time slots = Time for questions and eventual tutorials related to the exercises

    - Questions? Write us an email: etce-re@tu-clausthal.de ← **We will only respond to emails written to this specific email address!**

Dates/Times/Locations

- Lecture:
