Task(s):

Task 1 – How is Sustainability discussed in Different Countries?

- Choose a country you are familiar with (ideally a country you have live in for a prolonged period of time) and find a current newspaper article from this country discussing sustainability.
 - Please include either a link to the newspaper article or a screenshot of the article in your submission.
 - Use and reference the sustainability definition that we used in the lecture (L04).
- Shortly summarize the main discussion points of the article.
- Afterwards, explain in detail how sustainability is discussed in the country you chose.
Answer the following questions:
 - Is sustainability a political priority? How are politicians talking about sustainability? Do they see it as an important national issue or not?
 - Do you know of any activist groups that are active in your country? What are their goals and how do they try to achieve them?
