

Exercise – 8

Published on: 06.07.2026

Deadline: 13.07.2026 – 1:59pm

Task(s):

- Navigate to the project titled: „ETCE & IoT Mining Exercises 2026“.
- **The exercise should be visible to you in the folder titled „ETCE-Exercise-Solutions/E08“. The older project will not contain E08.**
- The exercise is given to you in the form of a jupyter notebook.
- Programming language: Python 3.10+
 - **You only need to modify the „solution.ipynb“ file.** More detailed instructions on where you need to insert your code can be found in this file.
 - The final cells in the solution.ipynb file grades your solution.
 - This will give you feedback on your solution, if any of the „assert“s receive an error, that indicates that you need to fix the indicated function(s).
- To submit your solution, simply save your ‚solution.ipynb‘ file.
